

# Six County Lakes & Rivers Conference – NE Wisconsin

🏠 Zoom platform call  
📅 July 10<sup>th</sup>, 2020  
🕒 9:00 am to 1:00 pm

## Conference Detailed Agenda

- **Join Zoom Meeting:** < <https://uwsp.zoom.us/j/94530258171> >
- **Meeting ID:** 945 3025 8171

The July 10<sup>th</sup> conference begins with a welcome and then we'll roll right into presentations. Your microphone will be muted, and your camera turned off as you enter the Zoom platform; please use the chat to ask your questions to presenters as we go along. It can be found at the center/bottom of your screen.

The best way to connect to this Zoom session is by using the Zoom app on your computer, laptop, tablet or smartphone. If you need to join by phone, dial this number ([1-312-626-6799](tel:1-312-626-6799)) then enter the **Meeting ID# 945 3025 8171** (you may be charged regular long-distance fees).

We strongly recommend testing your Zoom capabilities before entering the conference on July 10<sup>th</sup>. You do not need a Zoom account to do so. Follow the guidance at this [link](#). Attendees will not need to worry about microphone capabilities. The meeting room will open at 8:30 am for participants.

### **9:00 am to 9:10 am - “Welcome / Zoom etiquette review” > Patrick Goggin, Extension Lakes [Host / Lake Specialist]**

- Email sign up request / Zoom tools: mute, chat box, break out rooms at end

### **9:10 am to 9:30 am - “Legislative update” > Mike Engleson, Wisconsin Lakes [Executive Director]**

Michael Engleson came to Wisconsin Lakes in 2009 as Communications Director and became the organization's Executive Director and Lobbyist in 2012. He has extensive experience with nonprofit organizations as staff or as a board member, including the River Alliance of Wisconsin, 1,000 Friends of Wisconsin, the Tenant Resource Center, Wisconsin Community Fund, and Prairie Music & Arts. A graduate of Lawrence University and the University of Wisconsin Law School he enjoys time out on the water as well as both listening to and making music

### **9:30 am to 9:50 am - “Barriers to good shoreline stewardship” > Paul Radomski, Minnesota Department of Natural Resources [Lake Scientist]**

Paul J. Radomski is a lake scientist with the Minnesota Department of Natural Resources. He has worked for over 30 years on lake management issues and has published extensively on ecological and conservation matters. Paul currently serves as Minnesota's lead scientific expert on lakeshore habitat management issues. He is co-author of a book titled Lakeshore Living.

# Six County Lakes & Rivers Conference – NE Wisconsin

🏠 Zoom platform call  
📅 July 10<sup>th</sup>, 2020  
🕒 9:00 am to 1:00 pm

Administration, Project Manager, and Director of Sales for companies such as Sun Microsystems, Sperry Univac, Prime Computer, Keane, Advanced Technologies, and Alebra Technologies.

**10:10 am to 10:30 am - BREAK**

**10:30 am to 10:50 am - “Using GIS to prioritize shoreland management projects on Tomahawk Lake” > Mike Meyer, NOVA [Ecological Services [Research Scientist]**

After completing his PhD in wildlife ecology from the university of Wisconsin Madison, Mike worked as a research scientist for the Wisconsin DNR in Rhinelander. Mike's research focused on wildlife toxicology, lakeshore habitat restoration, and climate change in the Northern Highlands. Since retiring from the DNR, Mike has continued his work in the Northern Highlands through consulting projects with Nova Ecological Services.

**10:50 am to 11:10 am - “Insights into Wisconsin shoreland property owners from the 2020 Extension Lakes survey” > Eric Olson, Extension Lakes [Director / Lake Specialist]**

Eric Olson is an Extension Lakes Specialist and Director at Extension Lakes based at UW Stevens Point. He has a background in forestry and land use planning. In his role at Extension he helps lake organizations develop their capacity to tackle lake management challenges.

**11:10 am to 11:20 am - “Realtors as front liners with new shoreland property owners” > Sandy Ebben, First Weber Group Rhinelander [Realtor] / Lake Mildred Property Owners Association / OCLRA**

Sandy has been in the real estate business for over 25 years. In 1997 Sandy, along with 2 partners purchased Rhinelander Realty, the largest real estate firm in Rhinelander. In January 2006 Rhinelander Realty was purchased by First Weber Group and she became the Manager of the First Weber Rhinelander Office. Sandy is very involved in the Northwoods Board of Realtors. She is a member of the Newbold Land Use Planning Committee and is currently on the Board of Directors for the Lake Mildred Property Owners Association and an advisory for Lilac Villa, Inc.

**11:20 am to 11:30 am - “Vilas County Lakes and Rivers Association (VCLRA) new shoreland owner initiative” > Dick Jenks, Boulder Junction Lakes Alliance**

Dick Jenks and his wife Mary live full time on Mann Lake in Boulder Junction. Dick grew up on a small dairy farm in central Wisconsin and is retired after a 30-year management career in telecommunications and 10 years as a Wisconsin licensed real estate appraiser. He holds a bachelor's degree in mechanical engineering and an MBA. After retirement, he became a Wisconsin Master Naturalist and Lake Leader.

**11:30 am to 1:00 pm - “Vilas County lakes and Rivers Association - Break out room # 1”**

**“Oneida County lakes and Rivers Association - Break out room # 2”**
