The purpose of this meeting is both to share what local groups and professionals are doing to conserve lakes in Vilas County, and to report on the AIS section of the [Vilas County Invasive Species Strategic Management Plan](#). Public welcomed! This year we'll be accommodating for those who cannot be "up north" in late October by holding this meeting virtually.

For questions contact Cathy Higley at 715-479-3738 or [cahigl@vilascountywi.gov](mailto:cahigl@vilascountywi.gov)
